It is comprised of five days of health seminars, martial arts workshops, and spiritual retreat activities. We generally get a small but dedicated and enthusiasts group of participants who often are teachers and integrative healthcare providers with access to other students, patients, and clients. They come because of our...

- Fabulous renowned workshop leaders.
- Qigong activities on the lake at sunrise and sunset.
- Scrumptious formal banquet on Saturday evening.
- Meet fellow practitioners from all over.

Hosts

The Tai Chi, & Qigong Festival and Symposium 2025 is primarily hosted by three organizations: [Asklepios](#) and [Taijiquan Enthusiasts Organization](#) and [Complete Mind Body Spirit Tai Chi Association](#). All three organizations are programs of [HPL 501c3 Institute](#), an umbrella organization dedicated to helping small groups and non-profits enable people to achieve Health, attain Prosperity, and develop Leadership.

[Asklepios](#) is a group of researchers dedicated to ensuring rigorous and scientific methods are applied to research on integrative healthcare studies such as Tai chi, Qigong, Massage Therapy, Yoga, Pilates, Meditation, Lifestyle Change, Nutrition, etc. They publish research agendas in the integrative healthcare space, support research projects, conferences, journals, and other publications dedicated to spreading factual and proven information about integrative therapies while dispelling and discouraging non-reproducible and non-testable therapies such as gurus and faith healing.

[Taijiquan Enthusiasts Organization](#) is an open society of Taijiquan enthusiasts dedicated to practicing Taijiquan (also known as T'ai Chi Ch'uan, Tai Chi, or just Taiji). Tai Chi includes three pillars of Internal Martial Arts Practice: Form, Qigong, and Push Hands. Taijiquan is an ancient Chinese martial art known for its health benefits as well as being functional for self defense. Our mission is to share the benefits of Taijiquan.

Complete Mind Body Spirit Tai Chi for Health Association is an all volunteer, non-profit 501c3 organization started by David Elston-Phillips and Isse Elston. While David passed away in 2010, Isse continues to teach both public and private classes in Bucks County, Pennsylvania. Classes include all skill levels. It is a co-operative learning environment, not competitive. A typical class usually consists of an assortment of activities. These can include: Yang style short form, Qigong, the Animal Frolics, the Eight Brocades, Shaolin Temple exercises, the Five Elements and the Four Directions, and a meditative form drawn from Falun Dafa (sometimes called Chinese Yoga).
